

Shipping Brow Gallery Maryport opening late summer 2023 seeks enthusiastic crew members

We are a new social enterprise showcasing West Cumbrian art in a permanent exhibition of Percy Kelly and William Mitchell paintings brought together for the first time for locals and visitors. We will also have a small retail space selling local art prints and cards and our Artist in Residence will spend time engaging with the public.

We are a registered charity( looking for a part time Gallery manager )and we are recruiting a number of volunteers with a passion for Maryport and West Cumbria to support our new venture. With the help of a Volunteer Coordinator, Rachel Ingrams we are looking for folk with some time to offer who can be ambassadors for our Gallery and our town. We offer training and support, and the opportunity to contribute to this community asset.

Would you enjoy meeting visitors to the Gallery, signposting to other amenities in the town, suggesting talks and topics for us to promote our venue, offer to give talks to other community groups about our work, help with fundraising and perhaps contribute to school visits? There may be the potential to contribute or make short videos for online promotions too.

If any of this appeals to you or if you have other ways to help we'd love to hear from you. Please note the exhibition on 1<sup>st</sup> floor is via a narrow staircase. In our Victorian venue there is no disabled access upstairs. We will have a disabled access toilet on the ground floor and a tv screen showing images of the exhibition so we can be as inclusive as possible.

Please email our Volunteer Coordinator Rachel Ingrams for more details on [volunteer@shippingbrowgallery.co.uk](mailto:volunteer@shippingbrowgallery.co.uk) and tell us about yourself or put a note through our door at 20 High Street, Maryport, CA15 6BQ
